REGULATIONS COMPILER

1 BOARDS AND COMMISSIONS

2 Kentucky Board of Medical Licensure

3 (Amendment)

4 201 KAR 9:025. Interpretation and application of KRS 311.571(14)(40).

5 RELATES TO: KRS 311.530-311.620, 311.990

6 STATUTORY AUTHORITY: KRS 311.565, 311.571(14)(40)]

7 CERTIFICATION STATEMENT: This is to certify that this administrative regulation
8 complies with the requirements of 2025 RS HB 6, Section 8.

9 NECESSITY, FUNCTION, AND CONFORMITY: KRS 311.565 empowers the State
10 Board of Medical Licensure to exercise all the administrative functions of the state
11 in the prevention of empiricism and in the administrative regulation of the practice of
12 medicine and osteopathy and authorizes the board to establish requirements and
13 standards relating thereto. KRS 311.571(14)(40)] authorizes the board to waive
14 licensure requirements in extraordinary circumstances if the applicant's practice
15 would benefit the public welfare based on the applicant's exceptional education,
16 training, and practice credentials. This administrative regulation establishes
17 application procedures and limitations for licensure under KRS 311.571(14)(40)].

18 Section 1. Definitions.

19 (1) "Extraordinary circumstances" means that either one (1) of the Commonwealth's
20 medical schools or an area or group of patients will be specially benefited by the
21 board's granting of licensure to an applicant who has completed qualified education

1 and training comparable in nature to the requirements of KRS 311.571(1) or (2)
2 and is qualified to competently and safely practice medicine or osteopathy within
3 the Commonwealth of Kentucky.

4 (2) "Exceptional education, training and practice credentials" means credentials of
5 a character demonstrably comparable to or far beyond those generally presented
6 by applicants seeking licensure, including, at a minimum, verifiable proof that the
7 applicant:

8 (a) Is a graduate of a medical or osteopathic school of proven quality or has received
9 advanced degrees from reputable graduate study programs in medicine;

10 (b) Has completed at least three (3) years of postgraduate training recognized by
11 the board to be of high quality; and

12 (c) Has proven his or her abilities through practice experience.

13 Section 2. Application.

14 (1) In extraordinary circumstances, the board may grant licensure to an applicant
15 upon proof that the applicant possesses exceptional education, training, and
16 practice credentials and that their practice would be beneficial to the public welfare.

17 (2) If an applicant requests that the executive director present his or her application
18 for the board's review under KRS 311.571(14) [~~(10)~~], the executive director may,
19 based upon his or her evaluation of the applicant's credentials and the
20 circumstances involved, refuse to present the application to the board. The
21 executive director shall require the applicant to provide written documentation and
22 other verifiable evidence to aid his or her evaluation.

1 Section 3. Limitation Upon Licensure if Granted. The board may, in its discretion,
2 grant regular or limited licensure or may place restrictions upon the licensure of
3 anyone who is granted licensure pursuant to KRS 311.571(14) ~~[(10)]~~. The board
4 shall only grant licensure to physicians of whose competency and fitness the board
5 is assured, and, in any circumstance, to only grant licensure sufficient to satisfy the
6 extraordinary circumstances that are present.

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the circumstances in which the board may waive education and training requirements in order to grant licensure to an otherwise qualified applicant.

(b) The necessity of this administrative regulation: This regulation is necessary to establish the circumstances in which the board may waive education and training requirements in order to grant licensure to an otherwise qualified applicant.

(c) How this administrative regulation conforms to the content of the authorizing statutes: This administrative regulation conforms to the content of KRS 311.565(1)(a) which authorizes the Board to promulgate regulations to prevent empiricism and regulate the practice of medicine/osteopathy in the Commonwealth of Kentucky and to KRS 311.571(14) which authorizes the Board to waive requirements for licensure in extraordinary circumstances.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation acts specifically to establish the circumstances in which the board may waive education and training requirements in order to grant licensure to an otherwise qualified applicant.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: The amendment cites to the newly-assigned statutory subsection, KRS 311.571(14), formerly KRS 311.571(10).

(b) The necessity of the amendment to this administrative regulation: The amendment is necessary to cite to the newly-assigned statutory subsection, KRS 311.571(14), formerly KRS 311.571(10).

(c) How the amendment conforms to the content of the authorizing statutes: This amendment conforms to the content of KRS 311.565(1)(a) which authorizes the Board to promulgate regulations to prevent empiricism and regulate the practice of medicine/osteopathy in the Commonwealth of Kentucky and to KRS 311.571(14) which authorizes the Board to waive requirements for licensure in extraordinary circumstances.

(d) How the amendment will assist in the effective administration of the statutes: This amendment acts specifically to establish the circumstances in which

the board may waive education and training requirements in order to grant licensure to an otherwise qualified applicant.

(3) Does this administrative regulation or amendment implement legislation from the previous five years? Yes. This administrative regulation implements 2026 Kentucky Laws Ch. 89 (SB 137).

(4) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This amendment will affect applicants who seek a license to practice medicine or osteopathy in the Commonwealth of Kentucky but do not otherwise meet qualifications.

(5) Provide an analysis of how the entities identified in question (4) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (4) will have to take to comply with this administrative regulation or amendment: Applicants who seek a license to practice medicine or osteopathy in the Commonwealth of Kentucky but do not qualify for licensure under KRS 311.571(1) or (2), must possess credentials of a character demonstrably comparable to or beyond those generally presented by applicants seeking licensure, including that the applicant is a graduate of a medical or osteopathic school of proven quality or has received advanced degrees from reputable graduate study programs in medicine, has completed at least three (3) years of postgraduate training recognized by the board to be of high quality and has proven his or her abilities through verifiable practice experience.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (4): Other than the existent application fee, there is no cost associated with the requirements of this administrative regulation known to the board.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (4): Applicants who seek a license to practice medicine or osteopathy in the Commonwealth of Kentucky but do not qualify for licensure under KRS 311.571(1) or (2), may be granted licensure in Kentucky.

(6) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: None.

(b) On a continuing basis: None.

(7) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: The agency is self-funded through application and licensure fees.

(8) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No increase of fees or funding will be necessary.

(9) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This regulation does not establish any fees nor does it directly or indirectly increase any fees.

(10) TIERING: Is tiering applied? Tiering was not appropriate in this administrative regulation because the administrative regulation applies equally to all those individuals regulated by it.
