(1) Provide a brief summary of:

(a) What this administrative regulation does: The amendment of this administrative regulation establishes the application and renewal fees for the newly-created provisional license; updates the currently-applied discounted fee for issuance of licenses to graduates of Kentucky medical schools who remain in Kentucky for postgraduate training; and deletes fees for services no longer provided or no longer within the discretion of the board.

(b) The necessity of this administrative regulation: Amendment of this regulation is necessary to establish the application and renewal fees for the newly-created provisional license; updates the currently-applied discounted fee for issuance of licenses to graduates of Kentucky medical schools who remain in Kentucky for postgraduate training; and deletes fees for services no longer provided or no longer within the discretion of the board.

(c) How this administrative regulation conforms to the content of the authorizing statutes: This administrative regulation conforms to the content of KRS 311.565(1)(t) which authorizes the Board to prescribe and collect reasonable fees and charges related to licensure.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This amendment establishes the application and renewal fees for the newly-created provisional license; updates the currently-applied discounted fee for issuance of licenses to graduates of Kentucky medical schools who remain in Kentucky for postgraduate training; and deletes fees for services no longer provided or no longer within the discretion of the board.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This amendment establishes the application and renewal fees for the newly-created provisional license; updates the currently-applied discounted fee for issuance of licenses to graduates of Kentucky medical schools who remain in Kentucky for postgraduate training; and deletes fees for services no longer provided or no longer within the discretion of the board.

(b) The necessity of the amendment to this administrative regulation: The amendment is necessary to establish the application and renewal fees for the newly-created provisional license; updates the currently-applied discounted fee for issuance of licenses to graduates of Kentucky medical schools who remain in

Kentucky for postgraduate training; and deletes fees for services no longer provided or no longer within the discretion of the board.

(c) How the amendment conforms to the content of the authorizing statutes: This administrative regulation conforms to the content of KRS 311.565(1)(t) which authorizes the Board to prescribe and collect reasonable fees and charges related to licensure.

(d) How the amendment will assist in the effective administration of the statutes: This amendment acts specifically to establish the application and renewal fees for the newly-created provisional license; updates the currently-applied discounted fee for issuance of licenses to graduates of Kentucky medical schools who remain in Kentucky for postgraduate training; and deletes fees for services no longer provided or no longer within the discretion of the board.

(3) Does this administrative regulation or amendment implement legislation from the previous five years? Yes, in part. This administrative regulation implements fees associated with the newly-created provisional license established in 2026 Kentucky Laws Ch. 89 (SB 137).

(4) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This amendment will affect applicants who seek a provisional license to practice medicine or osteopathy in the Commonwealth of Kentucky.

(5) Provide an analysis of how the entities identified in question (4) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (4) will have to take to comply with this administrative regulation or amendment: Applicants who seek a provisional license to practice medicine/osteopathy in Kentucky will be charged the same application and renewal fees as regular applicants/licensees; graduates of Kentucky medical schools who remain in Kentucky for postgraduate training will be charged a discounted application fee, but have correct notice of current amount charged; and fees for services no longer provided or no longer within the discretion of the board will be deleted and cannot be charged for.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (4): Applicants for new provisional licenses will be charged same fee as applicants for a regular license, \$300; provisional licensees will be charged same renewal fee as regular licensees, \$150; graduates of Kentucky medical schools who remain in Kentucky for postgraduate training will be charged a discounted application fee of \$175; and fees for services no longer provided or no longer within the discretion of the board will be deleted.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (4): Applicants and licensees will benefit by having correct and adequate notice of application and renewal costs.

(6) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: None.

(b) On a continuing basis: None.

(7) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: The agency is self-funded through application and licensure fees.

(8) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No increase of fees or funding will be necessary.

(9) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: Applicants for newly-created provisional licenses will be charged same fee as applicants for a regular license, \$300; provisional licensees will be charged same renewal fee as regular licensees, \$150; graduates of Kentucky medical schools who remain in Kentucky for postgraduate training will be charged a discounted application fee of \$175; and fees for services no longer provided or no longer within the discretion of the board will be deleted.

(10) TIERING: Is tiering applied? Tiering was not appropriate in this administrative regulation because the administrative regulation applies equally to all those individuals regulated by it.
