Memorandum

TO: Whom It May Concern

FROM: Michael S. Rodman, Executive Director

RE: Verification of Licensure/Certification

DATE: June 5, 2014

The Kentucky Board of Medical Licensure launched an online verification system effective June 5, 2014. All active licensees in the state are now required to purchase verification of licensure via the Board's online system. Inactive license verifications will still be processed by the Board.

The downloadable verification will provide license information, the KBML Executive Director signature, KBML seal and an official download statement showing the date the verification was purchased. Please make note of this new system as the Board will no longer be mailing verification of licensure for active licensees.

Should you have any questions, please contact the Board at (502) 429-7150.
