Note: Intentional false answers or misrepresentation in applying for or procuring a certification, registration or reactivation in Kentucky are grounds for disciplinary action, including denial or revocation of certification. You must answer "yes" to any question if the event(s) described in that question has actually occurred. You must answer "yes" in such circumstances even if you have been advised by an attorney or other person that you may answer "no". You must also answer "yes" in such circumstance even if the record of the event has been sealed or expunged by Court order, or has been designated "confidential" by the body involved. After answering "yes" to the appropriate question(s), you may advise the Board of any additional relevant information pertaining to your answer (i.e., record has been sealed or expunged, record is designated "confidential," attorney has advised that you properly answer "no"). The Board will consider this additional information, along with your answer(s), in determining the appropriate action. If you have any question about whether or not you should answer "yes" to a question, you should err in favor of answering "yes" and provide an explanation, because any non-disclosure violation will likely result in denial of your application or disciplinary action against your certification.
